

SolarMax Energy Systems

1500v large capacity energy storage inverter

Overview

Featuring a highly-efficient three-level topology, the CPS-3000 and CPS-1500 inverters are designed for four-quadrant energy storage applications and provide the perfect balance of performance, reliability, and cost effectiveness.

1500v large capacity energy storage inverter

Medium Voltage Power Station , 1500V 4400kVA Solar Inverter

SG4400UD-MV-US medium voltage power station features 4400 kVA output and 1500V design, which is ideal for large-scale solar projects, featuring a modular design and smart monitoring.
