72 volt inverter 9000 watt

SMART GRID & HOME

Overview

What is a champion power equipment 9000 watt inverter generator?

The Champion Power Equipment 9000-Watt Tri Fuel Open Frame Inverter Generator with CO Shield® is one of the most innovative products on the market. A feature-packed addition to your RV and a cost-effective power solution, this inverter is smaller, quieter, and BETTER!.

Does the 9000 Watt tri fuel inverter generator have a warranty?

The 9000 Watt Tri Fuel Inverter Generator includes a Champion 3-Year Limited Warranty for Residential/Consumer Use. **Propane Tank Not Included.

How do I use my xp9000ih inverter?

Use clean power to operate your television, laptops, and other sensitive electronics. This inverter comes with a digital control center so you can monitor power output, load level, and running hours at a glance. Double your power by connecting a second XP9000iH with a parallel kit (sold separately).

What is the best digital inverter?

One of the largest digital inverters available on the market, the XP9000iH is excellent for emergency home backup or power on the jobsite. Use clean power to operate your television, laptops, and other sensitive electronics. This inverter comes with a digital control center so you can monitor power output, load level, and running hours at a glance.

What is included in the inverter Generator package?

This inverter generator package includes the Natural Gas and Propane Hoses required for NG/LP operation. With electric start and Cold Start Technology, count on easy starts even in cold weather. *Starting Watts or Max Watts is an extra boost of power for a few seconds that starts electric motors.
