Overview

Does Andor provide cooling products in summer?

Andor not only provides cooling products in summer such as ice pack, col gel pad for pets , cool pillow, but also warming products . Since the end of the epidemic, American customers resumed normal visits to our company.

Why should you choose Andor products?

Our products can keep your valuable products at the required temperature during transit, whether at frozen, refrigerated or other controlled temperatures. Andor not only provides cooling products in summer such as ice pack, col gel pad for pets , cool pillow, but also warming products .

What types of packaging products does Andor offer?

Bulk and customized small packaging, FOB, CIF, DDU and DDP. Let us help you find the best solution for all your concerns. Andor is a leading manufacturer of cold chain packaging products for shipping temperature-sensitive materials.
