

SolarMax Energy Systems

Armenia Communication Base Station Wind and Solar Complementary Company

Armenia Communication Base Station Wind and Solar Complementary

Solar energy systems and solutions In Armenia

Our range of services includes: customer demand assessment, solar power plant planning and design, Solar electric station installation, warranty and post-warranty service.

Communication Base Station Solar Power Generation Company

The huge costs of operating a mobile cellular base station, and the negative impact of greenhouse gasses on the environment have made the solar PV renewable energy source a sought after.
