

SolarMax Energy Systems

Austria energy storage photovoltaic panel manufacturer

Overview

Energetica Photovoltaic Industries develops, tests and produces high-performance photovoltaic modules in Austria that are among the most technically advanced products in the industry worldwide. Who is the producer of high-quality photovoltaic modules?

As a producer of high-quality photovoltaic modules with quality "Made in Austria" we are the market leader in Austria, but also sell our modules throughout Europe. We are "THE PIONEER" for photovoltaic and solar thermal energy. However, this name is not entirely undeserved.

What factors shape the future of the solar power market in Austria?

There are numerous factors that shape the future of the solar power market in Austria. These drivers include financing support, incentives, feed-in tariff, and presence of significant investments, among others.

Who is Energetica photovoltaic industries?

Energetica Photovoltaic Industries develops, tests and produces high-performance photovoltaic modules in Austria that are among the most technically advanced products in the industry worldwide. Our premium products are characterised by the highest performance, long service life and technological edge.
