

SolarMax Energy Systems

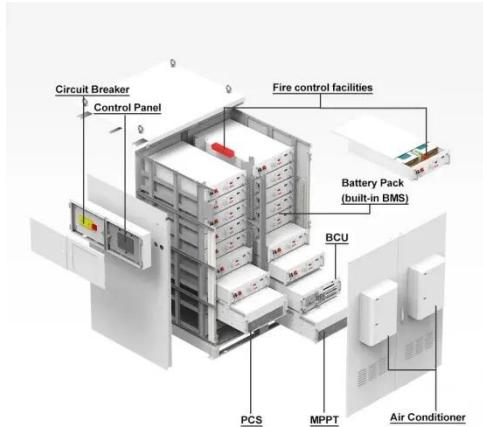

Bahrain Solar Grid-Connected System

Overview

The Kingdom of Bahrain, a Gulf Cooperation Council (GCC) country, recently launched a 5MW pilot PV solar electricity grid-connected project as part of Bahrain's commitment to produce 5% of its total electricity output from renewable source by 2020.

Bahrain Solar Grid-Connected System

EWA launches solar energy system at Khalifa City ...

The system is equipped with a self-cleaning mechanism for the solar panels and is integrated with monitoring and control devices. This project ...
