

SolarMax Energy Systems

Battery cabinet for photovoltaic communication

Overview

Integrates solar input, battery storage, and AC output in a compact single cabinet. Offers continuous power supply to communication base stations—even during outages. Remote diagnosis, performance tracking, and fault alerts through intelligent BMS.

Battery cabinet for photovoltaic communication

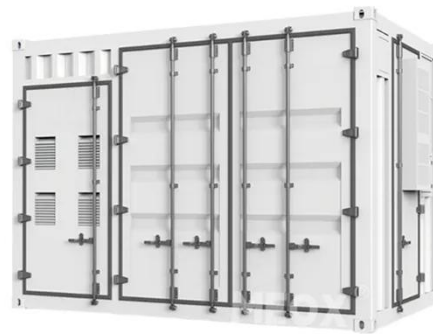

EK Photovoltaic Micro Station Energy Cabinet

EK photovoltaic micro-station energy cabinet is an integrated intelligent energy storage device designed for distributed energy scenarios, providing 10-50kWh multiple capacity options ...
