

SolarMax Energy Systems

Bolivia Mobile Energy Storage Equipment Manufacturer

Overview

MOBI, founded in 2020 by Juan Pablo Velasco and Ariel Revollo, two successful entrepreneurs with experience in the tech and automotive industries, is revolutionizing micro-mobility in Latin America. Where is the largest lithium-ion battery storage system in Bolivia?

The site in the municipality of Baures, Bolivia. Image: Cegasa. The largest lithium-ion battery storage system in Bolivia is nearing completion at a co-located solar PV site, with project partners including Jinko, SMA and battery storage provider Cegasa.

Can Bolivia become a global powerhouse in electric micro-mobility?

MOBI CEO Ariel Revollo: “Latin America has the capacity to become a global powerhouse in electric micro-mobility, and we believe Bolivia can be the leader of this transition.

Can Bolivia become a green energy superpower?

The partnership between MOBI and EnergyX highlights the thriving innovation environment in Bolivia, and will take the country one step closer to becoming a green energy superpower.

How much lithium does Bolivia have?

Bolivia has 9 million tonnes of identified lithium resources buried beneath its salt flats, the largest being the Salar de Uyuni, yet the country has had barely any production of lithium chemicals.
