## **British battery cabinet**

## Overview

---

What is a battery storage cabinet?

Battery storage cabinet, largest unit available in FMplus range, ideal for storing small lithium batteries as used in devices such as power tools. Sturdy unit is manufactured with heat-insulating, double walled steel, and features a lockable door with three-point lock. FREE UK mainland delivery 6-7 weeks (excluding Highlands & Islands).

Why do you need a lithium-ion battery cabinet?

Improper storage of lithium-ion batteries can lead to fires and dangerous situations. That's why, at Fuel Tank Shop, we offer a comprehensive range of lithium-ion battery cabinets designed to safeguard your batteries and your workplace. Our cabinets are constructed with durable materials and innovative features to prioritise safety.

What is a lithium battery en cabinet?

Lithium battery EN cabinet is equipped with the latest safety technology to ensure compliance with norms and full protection to personnel and property against the potential hazards of storing, handling and charging of Lithium-ion batteries. FREE UK Mainland delivery 4-6 weeks (excluding Highlands & Islands).

What is a lithium-ion battery charging & storage cabinet?

lithium-ion battery charging and storage cabinet, fortified with ChargeGuard™ for ultimate protection. This state-of-the-art cabinet features multiple layers of advanced shielding, specifically designed to reduce the risks of battery fires and thermal runaway.

How safe is a lithium battery charging cabinet?

Storing and charging lithium batteries poses a fire safety challenge. Charging cabinet lockEX 8/10 provides a safe solution, offering many safety features

protecting personnel and property. Cabinets are available in both 1-phase and 3-phases variants. FREE UK Mainland delivery 4-6 weeks (excluding Highlands & Islands)
