

## SolarMax Energy Systems

# Canadian Centralized Energy Storage Power Station Project

### APPLICATION SCENARIOS

## Overview

---

Located in Haldimand County, Ontario, Oneida Energy Storage is a fully operational, 250 MW/1,000 MWh lithium-ion battery energy storage facility. It represents Canada's largest operational energy storage facility, and is amongst the largest energy storage projects globally.

## Canadian Centralized Energy Storage Power Station Project

---

### **Governments of Canada and Ontario Working Together to Build ...**

The Oneida Energy storage project will support the operation of Ontario's clean electricity grid by drawing and storing electricity off-peak when power demand is low and ...
