

## SolarMax Energy Systems

# Container power generation lightning protection

*LiFePO<sub>4</sub> Battery, safety*

*Wide temperature: -20~55°C*

*Modular design, easy to expand*

*The heating function is optional*

*Intelligent BMS*

*Cycle Life: ≥ 6000*

*Warranty: 10 years*

## Overview

---

Container homes need specialized design to withstand lightning and severe storms. Proper lightning protection includes rods, grounding, and surge protection for electrical systems. For storm resistance, container homes must be anchored and reinforced to handle high winds.
