

SolarMax Energy Systems

Containerized mobile power generation

Overview

A Containerized MRPS is a complete, self-contained power generation and distribution system integrated within an ISO-standard shipping container. It is a highly engineered, “plug-and-play” solution designed for extreme mobility and instantaneous deployment.

Containerized mobile power generation

Containerized Dual PP30 50 kW Genset

The 50 kWe Power Pallet 30 Container System uses our two of our PP30 for a complete biomass power generation solution that converts woody biomass ...
