EU double-glass modules

EU double-glass modules

Met Glass / Backsheet solar modules and solar ...

Metsolar can offer highest quality Met Glass / Backsheet solar modules and panels. This technology enables to achieve best price and quality result.

What are the advantages of dual-glass Dualsun modules?

Double glass modules, due to the hermeticity of their structure, present less risk of PID. This phenomenon can be avoided by the use of an appropriate encapsulation material and by ...
