

## SolarMax Energy Systems

# Energy storage equipment complete set manufacturer inverter

## Overview

---

What is a battery energy storage system?

BESS is a battery energy storage system with inverters, battery, cooling, output transformer, safety features and controls. Helping to minimize energy costs, it delivers standard conformity, scalable configuration, and peace of mind in a fully self-contained solution.

What is Sungrow energy storage system?

Sungrow provides a one-stop energy storage system (ESS), which includes a power conversion system/hybrid inverter, battery, and integrated energy storage system.

What are advanced energy storage solutions?

Development of advanced energy storage solutions. These solutions, based on power and control electronics, meet the energy manageability needs with regard to generation, distribution and consumption. Integration of battery storage in renewable energy generation plants (PV, wind power, marine, etc.).

What is a battery inverter?

Battery inverter for utility scale application directed at AC-coupled energy storage systems. MV turnkey solution up to 7.65 MVA, with all the elements integrated on a full skid, equipped with one or two INGECON SUN STORAGE 3Power C Series inverters.

What is a liquid cooled battery energy storage system?

The system consists of: Ready to install liquid-cooled battery energy storage system with one (2-hour version) or two (4-hour version) battery cabinets, and a PCS cabinet. Liquid cooling provides two years longer battery service life and 15% higher discharge capacity, while maintaining less than 2.5 degree C delta between cells.

Which battery inverter is best for commercial self-consumption installations?

Ideal solution for commercial self-consumption installations. Three-phase battery inverter with 100 kW of rated power for industrial self-consumption systems. Ingeteam has achieved the EcoVadis Gold Medal, a recognition that places it among the world's leading companies in sustainability.

## Energy storage equipment complete set manufacturer inverter
