

SolarMax Energy Systems

Estonia s hybrid energy storage power station

Overview

The project, spearheaded by the Baltic Storage Platform—a joint venture between Estonian energy company Evecon, French solar producer Corsica Sole, and sustainable finance management company Mirova—aims to bolster energy security and support Estonia’s transition to renewable energy.

Estonia s hybrid energy storage power station

Eesti Energia Unveils Estonia's Largest Battery Storage System ...

The Auvere BESS in Estonia is designed to participate in electricity exchanges and other energy markets to enhance power supply security. Eesti Energia board member Kristjan ...
