# Heng site container wholesale

**ESS**

## Overview

---

Does Hengcheng insure all the containers?

Hengcheng insures all the containers, greatly reducing the risks that may be encountered in the actual operation. Hengcheng's own tank containers are T11 standard containers, tank volume includes 25m<sup>3</sup> and 26m<sup>3</sup>. Hengcheng tanks as SOC tanks are more flexible to allocate.

What are eco-friendly containers?

Eco-friendly containers are designed to store, transport, and sell a product through sustainable packaging. Some of the wholesale containers are made with either recyclable plastic, biodegradable materials, or tin.

What are the different types of eco-friendly wholesale containers?

Here is a closer look at the different types of eco-friendly wholesale containers available. Our tin containers are 100% recyclable and are built strong with sleek designs. Tin wholesale containers with lids have the advantage of being more resilient than plastic and paper cartons and more shatter-resistant than glass.

What makes Hengcheng a good company?

Hengcheng has perfect domestic agent network and also establishes business relationship with more than 70 overseas agents. With sophisticated global network and excellent import and export services, Hengcheng truly achieves door to door service. Import & Export Logistics Operations and Domestic Multimodal Transport.

What are snap box hinged lids?

Snap Box Hinged Lids Plastic Containers: The uniquely designed hinged lids containers are available in two colors, white or black, and two different size options, small and medium. They're sleek, small, and durable, and can fit in a pocket or purse.

What does Hengcheng do?

Comprehensive acquainting the import and export policy, Hengcheng actively cooperates customers to complete the projects, customs clearance, port facilities arrangement, inland, rail transport, inland river services in short time and economical cost. Extended Services
