

SolarMax Energy Systems

Honduras first power-side energy storage project

Overview

The National Electric Power Company (ENEE) has selected a Chinese-Honduran consortium to design, supply, install, test, and commission a grid-connected battery energy storage system (BESS) at the Amarateca substation in the department of Francisco Morazán.

Honduras first power-side energy storage project

North American Clean Energy

Tucked into the federal legislation passed in early June was a provision that should be of interest to those of us focusing on large battery energy storage system ("BESS") projects. The Fiscal ...
