

SolarMax Energy Systems

Hospital Battery Inverter

Voltage range: 691.2-947.2V

>6000 cycles (100%DOD)

Rated battery capacity:
216KWH (customizable)

EMS communication:
4G/CAN/RS485

Hospital Battery Inverter

24-Hour UPS Battery Backup for Medical Facilities

The inverter is the central component of a UPS system and plays a critical function in the event of a power loss. This part is in charge of transforming direct current (DC) power ...
