

SolarMax Energy Systems

How big is the Uruguayan energy storage power station

Overview

The 50MW Batlle project near Montevideo can power 30,000 homes for 8 hours – enough time to watch three full football matches (plus overtime!). Argentina's playing catch-up with its 1.2GW Cauchari solar-storage hybrid plant, where battery walls stand taller than Messi's trophy cabinet.

How big is the Uruguayan energy storage power station

Uruguay and Argentina's Energy Storage Power Stations: South ...

Uruguay's energy minister recently joked: "Trading electricity with Argentina is like sharing a milanesa - everyone wants the biggest piece." But their shared 500kV transmission ...
