

SolarMax Energy Systems

Huawei Ireland Lithium Energy Storage Power

Overview

The Huawei LUNA2000 Battery, offered by Going Solar, provides an advance way to store and manage solar energy. With its modular design, smart management features, and high safety standards, it's an ideal choice for both residential and commercial solar systems.

Huawei Ireland Lithium Energy Storage Power

Powering the world with renewables

Huawei Digital Power, a subsidiary launched in 2021, works on projects everywhere to accelerate the world's transition to energy sustainability. See ...
