Huawei Sodium Battery Energy Storage Factory

Huawei Sodium Battery Energy Storage Factory

New sodium-ion developments from CATL, BYD, Huawei

The Chinese battery maker broke ground on a 30 GWh sodium-ion battery factory earlier this year. However, the development and design of its first utility-scale battery energy ...

Lithium battery parameters

Product capacity: 100Ah

Product size: 135*197*35mm

Product weight: 1.82kg

Product voltage: 3.2V

internal resistance: within 0.5

The sodium battery project invested by Huawei has been

5 days ago· At present, Zhongke Haina has made a complete layout in key core materials, battery manufacturing and system applications, and has taken the lead in completing the ...
