

**SolarMax Energy Systems**

# **Huijue energy storage cabinets exported to the Philippines**

## Overview

---

What is Huijue's home energy storage solution?

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution.

Where are Huijue network products exported?

Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and regions. Since our founding in 2002, we've been committed to becoming a leader in the network link industry.

What is a Huijue system?

Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution. Compact and reliable Huijue systems provide energy independence and efficiency for modern homes.

What is Huijue group's new generation of smart energy solutions?

Huijue Group's new generation of smart energy solutions integrate green energy systems, advanced intelligent control systems and services to achieve energy saving at le sites, reduce energy consumption, and reduce carbon emissions.

Why should you choose Huijue group?

Huijue Group has always taken the core values of "customer-centered, people-oriented, continuous innovation and achievement sharing", and has helped the green, healthy and sustainable development of the industry through continuous innovation accumulation and technological breakthroughs.
