

## SolarMax Energy Systems

# Huijue exports energy storage modules to Mexico

LFP 12V 200Ah

## Overview

---

What are Huijue's commercial and industrial energy storage solutions?

Huijue Group's commercial and industrial energy storage solutions offer capacities ranging from 30 kWh to over 30 MWh. These solutions cover most commercial applications, such as electricity cost management, photovoltaic self-consumption, backup power scenarios, microgrids, and off-grid applications.

What is Huijue off-grid solution?

Huijue Off-Grid Solution integrates photovoltaic, energy storage, and off-grid systems for scalable energy self-sufficiency. The Huijue Group Off-Grid Solution comprises three main components: photovoltaic systems, energy storage systems, and off-grid systems, enabling energy self-sufficiency.

Where are Huijue network products exported?

Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and regions. Since our founding in 2002, we've been committed to becoming a leader in the network link industry.

What is Huijue group's new generation of smart energy solutions?

Huijue Group's new generation of smart energy solutions integrate green energy systems, advanced intelligent control systems and services to achieve energy saving at le sites, reduce energy consumption, and reduce carbon emissions.

## Huijue exports energy storage modules to Mexico

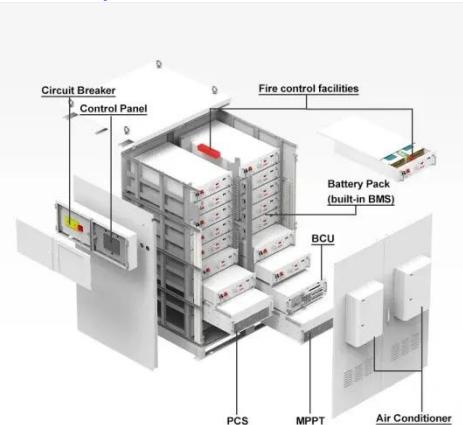

### Huijue integrated energy storage business

Huijue integrated energy storage business Product Introduction. Huijue Group's Industrial and commercial energy storage system adopts an integrated design concept, integrating batteries, ...
