

## **SolarMax Energy Systems**

# **Ireland New Energy Storage Industrial Park**

## Overview

---

It is located at Poolbeg Energy Hub, where ESB – around 95% owned by the Irish state with the remaining stake held by its employees – is planning to deploy a combination of clean energy technologies, including offshore wind, hydrogen, and battery storage, over the coming decade.

## Ireland New Energy Storage Industrial Park

---

### ESB Launches Largest Battery Energy Storage Project in Co Cork

ESB has officially opened a 150MW (300MWh) battery energy storage system (BESS) at its Aghada site in County Cork, marking a major milestone in Ireland's renewable ...
