

## SolarMax Energy Systems

# Israel Energy Storage System BESS

## Overview

---

Renewable energy generated in the nearby northern regions of the country will be stored in the battery energy storage system (BESS) facilities, transmitted to urban demand centres at times of peak demand.

## Israel Energy Storage System BESS

---

Solar

### Energy Storage , I-Storage Energy Solutions , Tel Aviv ...

The BESS has a central online monitoring system that includes electricity meters and an internet-connected cloud application that allows access from any ...
