

SolarMax Energy Systems

Italian high-end outdoor power supply brand

Overview

Who makes uninterruptible power supplies?

The Groups is one of the best known and appreciated manufacturers of uninterruptible power supplies in the world: online UPS, rack UPS, industrial uninterruptible power supplies, single-phase and three-phase uninterruptible power supplies are just some of the types of products sold by groups.

What factors affect the power supply industry in Italy?

When exploring the Power Supply industry in Italy, several key considerations come into play. The regulatory environment is crucial, as Italy adheres to both European Union directives and its national laws, which can significantly impact operational practices and compliance requirements.

Who are ocem power supplies?

OCEM is a prominent player in power electronics, particularly known for its NGPS series, which offers high-stability digital power supplies of up to 10 kW. Their expertise spans various sectors, including scientific and industrial research, making them a key provider in advanced power systems.

What kind of power supplies does pylontech offer?

They offer a range of industrial AC/DC power supplies, including their notable Power-Spin series. The Force-H1 is a high-voltage energy storage system with a capacity of 3.55 kWh, utilizing lithium iron phosphate batteries, developed and produced by Pylontech.
