

## SolarMax Energy Systems

# Kenyan companies exporting energy storage cabinets

## Overview

---

Who is the implementing agency for the Kenyan battery energy storage system?

The Kenya Electricity Generating Company PLC (KenGen), has been designated to be the Implementing Agency for the Kenyan Battery Energy Storage System (BESS), which is part of the Kenya Green and Resilient Expansion of Energy (GREEN) program, funded by the World Bank.

How much Bess is needed in Kenya?

KP believes that more than 480MW of BESS is required across different locations in the country, such as western Kenya, where there is inadequate transmission capacity at peak times as well as at substations along Kenya's coast.

What type of energy does Kengen produce?

KenGen is the leading electric power generating company in Kenya, generating 1904MW, which represents a market share of 65% of the nation's installed capacity, making KenGen the largest energy producer in East Africa. The company's energy mix includes Hydro (825.69 MW), Geothermal (799 MW), Solar (253.5MW), Wind (25.5MW).
