

SolarMax Energy Systems

Liberia Energy Battery Storage Power Station

Overview

The Government of Liberia has signed a landmark contract for the construction of a 4.0 megawatt-peak (MWp) Solar Photovoltaic (PV) Plant coupled with a 9.4 megawatt-hour (MWh) Battery Energy Storage System (BESS), signaling a major step toward universal energy access in the country.

Liberia Energy Battery Storage Power Station

Liberia to develop its first solar project with battery storage

Liberia is following a path that other African nations have already undertaken, including South Africa with the Scatec Kenhardt Solar Plant, one of the largest hybrid solar ...
