

SolarMax Energy Systems

Lithium battery pack production plant in Indonesia

Overview

Indonesia, renowned for its vast nickel reserves, has inaugurated Southeast Asia's first EV battery manufacturing plant in Karawang, West Java. HLI Green Power, a joint venture between Indonesia Battery Corporation, Hyundai Motor and LG Energy Solution, owns this state-of-the-art facility.

Lithium battery pack production plant in Indonesia

China's REPT Battero to build battery factory in Indonesia

China's REPT Battero has revealed plans to build a lithium-ion battery plant in Indonesia, targeting 8 GWh of annual production capacity in the first phase.
