Myanmar Home Solar System

Overview

How many solar energy startups are there in Myanmar?

There are 15 Solar Energy startups in Myanmar which include Solar Home, Asia Solar, Myanmar Eco Solutions, Techno-Hill, Yoma Micro Power. Out of these, 4 startups are funded. 1. Solar Home Solar Home develops residential solution for rural off-grid households in Solar Home Systems to rural off-grid households in South East Asia.

Is solar energy a good option for Myanmar?

Among the renewable energy available, the potential of solar energy is one of the great interests in Myanmar. The government of Myanmar has set a plan to electrify the whole country in 2030. On the other hand, ASEAN has a target that is to increase 23% of Renewable Energy in ASEAN generation mix by 2025.

Is solar energy a viable option for Myanmar's off-grid area?

For the off-grid area, Myanmar has mainly emphasis on solar home system and mini-grid system to be sustainable, affordable and environmental friendly. This paper aims to describe the high potential of solar energy, current situation of solar energy implementations and the important of Renewable Energy of Myanmar respectively.

What is Myanmar's Solar potential?

In the short- to medium-term, off-grid solar home systems and mini-grid solar / solar/hybrid projects aim to connect households in remote locations where the costs of grid access are prohibitively expensive. The Asian Development Bank estimates Myanmar's potential solar resource at 27 GW. To date, very little of this potential has been realised.

Will Myanmar build solar power plants?

On the occasion, Secretary of the State Administration Council Lt-Gen Aung

Lin Dwe said as Myanmar is rich in renewable energy sources such as hydropower, solar and wind power, it will make full use of the advantages provided by the nature and build solar power plants.

Which Myanmar companies install solar home system equipment under the DRD program?

The research included meetings with six Myanmar companies that install (and in some cases manufacture) solar home system equipment under the DRD program. Of these six companies, five were in Yangon and one was in Hpa An (Moe Ko San). Table 5 below summarizes key features of these companies.

Myanmar Home Solar System

Radiant Rays Co., Ltd.
