

SolarMax Energy Systems

New Zealand Photovoltaic Energy Storage Battery Project

Overview

Meridian Energy has officially opened New Zealand's first large-scale grid battery storage system at Ruakākā, the first of its kind, and a milestone in the country's renewable energy infrastructure development.

New Zealand Photovoltaic Energy Storage Battery Project

New Zealand Photovoltaic Battery Energy Storage

Construction will commence in New Zealand on the country's biggest battery energy storage system (BESS) project so far in July. charging and maximise the benefits of solar power.
