

SolarMax Energy Systems

New energy projects equipped with energy storage systems

Power Conversion System

- Single-stage three-level modularization
- Multi-branch input to reduce battery series and parallels connection

New energy projects equipped with energy storage systems

Nigeria: Empower New Energy Delivers First-of-Its-Kind Solar

...

The systems commissioned include solar PV and battery energy storage systems at two of Justrite's retail locations in Lagos State: Abule Egba and Ikorodu.
