

SolarMax Energy Systems

Norway sells simple outdoor power supplies

Overview

How does Norway use electricity?

Norway has a cold climate, and a large part of its energy consumption is used for heating. The electricity grid enables electricity transport from producers to consumers, and connects Norway's power system to other countries' systems. The power market is an important tool for ensuring cost-efficient use of electricity resources.

Where to buy electronics in Norway?

The biggest chains that sell electronics goods in Norway are called Elkjøp and Power. Both of these are specialized in selling pretty much all types of electronics, from fridges, stoves and freezers, to games, hair dryers and cell phones. If you need anything with a power cord, the chances are that you will find it in either of these stores.

Where to buy cheap outdoor clothing in Norway?

Especially if you plan on using the clothing for just a few hikes. Some of the stores that sell cheap outdoor clothing in Norway is Sport Outlet and XXL. Sport Outlet tend to mostly only have cheap brands, and a lot of their stuff is pretty good. Sport Outlet also has some basic camping equipment, but their range is very limited.

Where to rent camping equipment in Norway?

Renting is finally starting to become more popular in Norway, and there are a few services that offer camping equipment for rent. The most popular one is called Hygglo, where you can rent camping equipment from private sellers.

Where to buy a used PS4 in Norway?

Photo published with permission. If you want to buy second hand electronics, the two main marketplaces for this is Finn and Facebook Marketplace. Both of these allow regular people to list items for sale, so it can be a nice place to

pick up a used PS4 for cheap if you want to have a console during your stay in Norway.

How to check the price of a product in Norway?

There are several different services that allows you to check the price on an item from all online stores in Norway, with the most popular being [Prisguiden](#). To use this tool, simply type in the product you want to buy (a specific product, not just “refrigerator”).
