Outdoor power supply sells well

Overview

Does Tractor Supply sell outdoor power equipment?

Purchase requirement before taxes, fees, and other discounts and must be made in a single transaction. Tractor Supply carries a large selection of Outdoor Power Equipment and related products. Shop online or in-store today.

Should you buy an outdoor power strip?

If those two sockets in your outdoor outlet aren't enough to fulfill your outdoor power needs, then you'll want to invest in a good outdoor power strip. These handy appliances can multiply a single socket into six or even 10, allowing you to power multiple strings of lights or various outdoor appliances simultaneously.

Are outdoor power strips waterproof?

Some outdoor power strips also function as surge protectors and have built-in fuses that cut off the flow of current when it exceeds the maximum wattage for a standard 15-amp outlet, which is 1,875 watts. Outdoor power strips designed for continuous outdoor use also have an IPX rating, which designates how water-resistant they are.
