

SolarMax Energy Systems

Polish double-glass module manufacturer

12V 10AH

Overview

Who is Polish glass pane & window manufacturer?

Polish glass pane and window manufacturer for every industry, who has gained the trust of such brands as Samsung, Whirlpool, Zetor, Pesa, Solaris, Ursus or Autosan. We make highest quality products, for the production of which we use the most cutting-edge machinery park.

What factors affect the glass industry in Poland?

When exploring the glass industry in Poland, several key considerations come into play. The regulatory environment is crucial, as Poland adheres to European Union standards, which influence product quality, safety, and environmental practices.

Why should you choose a manufacturer in Poland?

The highest quality of our products is achieved by the use of the most up-to-date technologies and continuous investments into R&D. Being one of the few manufacturers in Poland to have successfully introduced modern solutions into the market making us a pioneer of innovation and development within this sector.
