Where can I buy a portable charger?

You can buy portable chargers from pretty much the same outlets as smartphones, tablets, and other devices. Apple and Samsung's official websites stock a number of portable chargers, while you can also find plenty from online retailers such as Amazon, Walmart, and Best Buy. Bryan M. Wolfe has over a decade of experience as a technology writer.

Should you connect your phone to a portable charger?

By connecting your phone to a portable charger, you can recharge your device without being tied to one location. Whether you prefer a large, robust charger that can power your phone for days or a slim power bank that easily fits in your bag for a quick charge, there's a suitable option for you.

What makes a good portable charger?

Many of these chargers manage to fit a lot of charge into a small design thanks to their lithium-ion batteries. Capacity: Then there's the other size: each portable charger has its own mAh rating for its maximum internal electrical charge. The bigger the mAh rating, the bigger the battery inside and the more it can recharge.

Can a portable power station charge a phone?

Some can only charge phones, and others can power your entire house. Check the output wattage and battery capacity to see what a portable power station is capable of. The Westinghouse iGen160s is a basic little power station capable of keeping your electronics charged during a brief power outage or camping trip.

Do portable chargers come with a warranty?

Most portable chargers we tested come with at least a two-year warranty. Phones: Since the name of the game is keeping your phone's battery icon in

the green, I tested how efficient these power banks are when it comes to refueling in a short window of time.

What is the best power bank to charge a phone?

After putting in hundreds of hours of research and testing, we've found that the Belkin Boost Charge Plus 10K is the best power bank to charge a phone, tablet, or another small, handheld device. It's an all-around great portable charger that can offer you peace of mind whenever wall outlets are out of reach. Best for.
