

SolarMax Energy Systems

Slovakia hybrid energy storage project launched

Overview

With a grant of more than EUR 2.1 million, the project is carrying out studies to prepare the way for the modernisation and hybridisation of the Čierny Váh pumped hydro energy storage plant in Slovakia.

Slovakia hybrid energy storage project launched

New Market Opportunities: Slovakia's 2025 Energy Storage ...

But hold onto your solar panels: this Central European nation is rolling out one of the most ambitious energy storage project portfolios for 2025, aiming to become a regional hub for ...
