# Sodium ion energy storage battery project

## Sodium ion energy storage battery project

---

### Hina Battery Unveils Massive Sodium-Ion Energy Storage System

This project opened on June 30, 2024, with battery cells supplied by Zhongke Haina, making it the largest sodium-ion battery energy storage system in the world.

## Posh Electric Secures EMA Grant for Sodium-Ion Battery Project

POSH receives an EMA grant to develop sodium-ion battery storage, boosting Singapore's renewable energy transition and sustainability.

[Get a quote](#)

## Sodium-ion Battery Energy Storage Technology is ...

On June 30, 2024, the completion and operation of the first phase of Datang Hubei 100MW/200MWh sodium ion new energy storage power station science and technology ...

[Get a quote](#)

## Sodium-ion technology: the future of energy storage

Sodium-ion technology offers a promising, competitive alternative to

commercial lithium-ion batteries for various applications. Sodium-ion batteries offer advantages in terms of ...

[Get a quote](#)

## Sodium-ion Batteries in Grid Storage: Current Projects and ...

This project focuses on improving the performance, lifespan, and safety of sodium-ion batteries, making them suitable for large-scale energy storage applications.
