

SolarMax Energy Systems

Solar panels first

Overview

- 2003 - George Bush has a 9 kW PV system and a solar thermal systems installed on grounds keeping building at the White House
- 2004 - California Governor Arnold Schwarzenegger proposed Solar Roofs Initiative for one million solar roofs in California by 2017.

Solar panels first

First Solar

7 TR1 thin film solar modules combine First Solar's thin film technology with an optimized structural design to deliver improved efficiency, enhanced installation velocity, and unmatched ...
