

## SolarMax Energy Systems

# Split solar all-in-one machine 1500 watt

## Overview

---

What is a Sol-Ark 15K inverter?

The Sol-Ark 15K is an industry leading all-in-one hybrid inverter system designed for comprehensive home energy management. It is renowned for its power, reliability and versatility, it goes beyond basic solar energy conversion.

What is a Sol-Ark 15k-2p hybrid inverter system?

Sol-Ark 15K-2P Pre-Wired All-In-One Hybrid Inverter System is an all-in-one system that has everything you need built-in. With a charger controller, a display with remote monitoring, and many other built-in features. This inverter is flexible, efficient, and simple to install to a Grid-tied, Off-Grid, or battery backup.

How many watts can a Sol-Ark inverter power?

This inverter comes with a 200A transfer switch allowing for a large grid passthrough as well as solar. With 3 MPPTs, the Sol-Ark can have up to 15,000W of PV power connected. With the outdoor rating, it can be installed in most locations.

Which solar inverter is best?

The Sol-Ark SA-Limitless-15k is a great choice as a stackable solar/hybrid inverter! It's an all-in-one, pre-wired inverter with built-in charge controllers and many other built-in features fitted as standard. It is flexible, efficient, and affordable. Everything you need comes in one box, keeping your cost LOW and installation SIMPLE.

What is a Sol-Ark hybrid inverter?

The Sol-Ark all-in-one hybrid inverters are best-in-class technology with speed, efficiency, and power as their main advantages, as well as great versatility. Continuing to expand the innovative offering in depth and capability, Sol-Ark

added string inverters and micro-inverters enabling a broad diversity of application types.

Does a Sol-Ark 15K inverter work in Hawaii?

Yes, the Sol-Ark 15K inverter is certified for grid-connect in Hawaii, Alaska, and Puerto Rico. If I parallel two 15K inverters, will the Maximum Output Current of 62.5A also double?

Yes, two Sol-Ark 15K inverters in parallel has a maximum potential output current of 125A.
