

SolarMax Energy Systems

Sri Lanka high performance energy storage battery

Overview

Sri Lanka is set to establish the world's largest battery energy-based storage system which uses solar power as its only energy source, claimed Minister of Power and Energy Kanchana Wijesekera.

Sri Lanka high performance energy storage battery

GRADE A BATTERY

LiFePO4 battery will not burn when overcharged, over discharged, overcurrent or short circuit and can withstand high temperatures without decomposition.

Sri-Lanka's first grid-scale battery storage project

The overall project aims to enhance the reliability and optimise the existing fault clearance system of transmission and distribution (T& D) ...
