

SolarMax Energy Systems

The most efficient photovoltaic inverter

Overview

CNET experts have compared the most popular solar inverters' specs, warranties, prices and more. The SolarEdge Home Wave Inverter is our top pick in 2025. It was the most efficient inverter we looked at, letting you use a larger percentage of the energy your solar panels generate.

The most efficient photovoltaic inverter

Solar Inverters: Types, Pros and Cons

Solar inverters change the power produced by your solar panels into something you can actually use. Think of it as a currency exchange for your power.
