

## SolarMax Energy Systems

# Uganda energy storage battery export tariff

## Overview

---

How does tariff risk affect a battery energy storage system (BESS) project?

Mitigating tariff risk in battery energy storage system (BESS) projects is crucial for ensuring project financial viability, as tariff changes can significantly affect cost structures and overall project economics.

How much does electricity cost in Uganda?

Uganda's power tariffs are set on a quarterly basis, and the average tariff to consumers is \$0.19/kWh (\$0.09/kWh for large industrial users), with the first 15 units of power subsidized. Umeme Co. Ltd. is the largest energy distributor in Uganda, distributing 93% of all electricity in the country.

Can I import or export goods from Uganda?

If you are planning to import or export goods to or from Uganda, you need to be aware of the customs duty regulations that apply. Customs duty is a tax levied on goods that cross international borders, and it can affect the cost and profitability of your business transactions.

Will US tariffs affect energy storage?

There have also been indications that the US administration may consider other tariff proposals impacting energy storage, such as a 10-20% universal tariff, tariffs of up to 60% across the board on Chinese-origin goods, and tariffs of 25% on Mexican and Canadian origin goods.

What is Uganda's largest hydropower project?

Uganda's largest hydropower project, the 600 MW Karuma Hydro Power Dam is slated to come fully online by the end of 2023, after over four years of delays. The addition of the Karuma Hydro Power Dam is projected to boost Uganda's total capacity by 44% and leave potentially over 1000 MW of excess power generation capacity.

What goods can I bring to Uganda?

Cigarettes, cigars, cheroots, cigarillos, tobacco and snuff not exceeding in all 250 grams in weight. Other goods up to a value of US\$ 300 imported by a traveler in his/her accompanied baggage or upon his person provided the person has been outside Uganda for a period exceeding 24 hours.
