

## SolarMax Energy Systems

# Vietnam s largest energy storage battery

## Overview

---

The BESS system at Vinpearl Nha Trang, installed in 2024, is currently the largest BESS system, operating after the meter and not integrated with renewable energy sources.

## Vietnam s largest energy storage battery

---

### Embracing battery energy storage systems to power Vietnam's ...

Integrating BESS into Vietnam's energy infrastructure demonstrates promising prospects for facilitating the nation's energy transition. By storing excess energy during periods ...
