

SolarMax Energy Systems

West African Power Plant Energy Storage Project Signed

Overview

Axian Energy, Voltalia, and Entech have announced the signing of an EPC (Engineering, Procurement, and Construction) contract for Senegal's NEA Kolda project. It is the largest photovoltaic power plant with battery energy storage systems (BESS) in West Africa.

West African Power Plant Energy Storage Project Signed

Mozambique energy storage power station

The project is the first IPP in Mozambique to integrate a utility scale energy storage system and includes an upgrade to the existing Cuamba substation. Electricity will be sold through a 25
