

## SolarMax Energy Systems

# What does DC mean for a mobile outdoor battery cabinet

## Overview

---

What is an outdoor NEMA 3R Battery Cabinet?

Outdoor NEMA 3R modular design easily expands and can accommodate any configuration of batteries and DC power equipment. This becomes a great alternative for substations with limited interior space allowing for consolidation of your DC power system. HindlePower's Outdoor Battery Cabinet takes a proactive approach to hydrogen mitigation.

What is a battery cabinet?

Equipped with the HindleHealth System, the Battery Cabinet will keep your battery at the ideal temperature in the most extreme of environments, giving you peace mind. HindlePower's Outdoor Battery Cabinet takes a proactive approach to hydrogen mitigation.

What is an outdoor Battery Cabinet?

HindlePower's Outdoor Battery Cabinet is constructed of extremely durable injected foam panels that achieve a level of thermal performance not previously seen in traditional battery cabinets. Feel confident your batteries will maintain 65°F for outdoor ambient temperatures down to -40°F and 77°F for outdoor ambient temperatures to 122°F.

How to design an outdoor Battery Cabinet?

Use locks to stop unwanted access, fireproof materials for emergencies, and waterproofing to block rain. Good wiring and grounding are also important to prevent electrical risks. Design your outdoor battery cabinet with these 5 steps: choose the right size, materials, cooling, safety features, and ensure easy maintenance.

Why are outdoor battery cabinets important?

Outdoor battery cabinets are essential for keeping your batteries safe from harsh weather conditions. When you design your outdoor battery cabinet, a

well-thought-out design ensures optimal performance and longevity. Adhering to IP55 and IP67 standards prevents dust and water intrusion, making these cabinets ideal for outdoor use.

What is a HindlePower Battery Cabinet?

HindlePower's Battery Cabinet is designed to maximize DC system performance and battery life, saving YOU time and money. The EPIC series battery cabinet offers a NEMA 3R and NEMA 1 modular design, with built in intelligence, will safely house any combination of batteries, chargers, DC distribution, and/or other ancillary equipment.
